

We are sincerely pleased to have you consider making a donation to the Suzanne Manlet Foundation.

We created the Suzanne Manlet Foundation (SMF) to honor Suzanne Manlet. Suzanne was a Ventura County icon - coach, teacher, player, mentor, and a friend to everyone she ever met.

The Suzanne Manlet Foundation annually sponsors scholarships for two Ventura County Hall of Fame Athletes of the Year. The Athletes are invited to submit essay applications with their information forms when they are nominated to represent their schools at the Hall of Fame Induction Banquet every year.

In 2007, the initial funding was \$1000 for a female athlete. In 2008, the scholarship was awarded to a female and a male student at \$1000 per student. In 2009 the SMF Board Members decided to make a commitment and raise enough funds to be able to renew the scholarship at \$1000 each year for a total of four years.

The Suzanne Manlet Foundation is a memorial to the legendary CIF Championship Softball coach at Simi Valley High School. The generosity of the Foundation reflects Suzanne's ebullient spirit and sense of purpose. More than wins and losses, she instilled in her players a work ethic and sense of mission that superseded the actual games. Her Foundation works like Suzanne did – to impact the lives of young people in the most positive way it can.

With the help of donations from supporters such as you the Suzanne Manlet Foundation will be able to award college scholarships to those who represent Suzanne's ebullient spirit.
